WESTERN FILLY WON THIRD RACE.

-Monarka a Winner.

(Special to The Evening World.)
SHEEPSHEAD BAY RACE TRACK. Sept. 6 .- Fine racing weather was again the portion of the crowd at Sheepshead this afternoon, and the cool ocean breeze was greatly appreciated by those who came from the city. The track was in superb condition and there was nothing lacking for perfect sport.

The card was fairly attractive. There was no special feature, the Reapers Stakes being the only one to be decided, The attendance was a bit light, however. This is usual on Friday, because the crowd holds off for Saturday.

To-morrow will see the running of the Great Filly Stakes, worth in the neigh-borhood of \$30,000, and the Century Stakes, worth \$10,000. It should be one of the most interesting days of the

Nobody is trying to the games and five times has victory make excuses. Facts speak for them perched upon the Piratical banner. Is selves, Everyhody knows of New York is last in the come to see them once in a while. So Smith was appointed New York's ba following on other incidents comes the teries in the second struggle, and Metadvertising agent's blunder. He had it that of the catching and the sent broadcast that there was to be but sent broadcast that there was to be but one game to-day. Instead there were two billed, and when part 1 began, there were there was not more than enough present to form a half dozen corporals' guard.

The Pirates didn't begin their slaughtering act until the third inning. Then it did begin in earnest. The visitors straightened out "Hick's" curves in tiring fashion and in that round tailled three runs.

First lining.

First lining.

New York took first turn at the bar selbach's boost dropped safely in right field. McBride pushed one in for pair of sacks. Van's rap was good for two and it scored Selbach, but McBride by a pretty throw by Davis, was nippe at the plate. Clark clung to Davis' left. tiring fashion and in that round tailied three runs.

The fourth inning, too, was productive of more runs for the Emoketowners. They hit, ran and scored, in all, two more runs. Umpire Snyder was not a bit partial to the Pennant leaders, if anything, the New Yorkers got the better of the decisions. That put the Pirates in a scrappy mood and every called ball was the cue for a dispute.

Davis's men bunched three hits in the fourth and scored two runs. It was in the fifth round that the worst happened to Hick and his curves. Pirate after lirate went to but and all hit safely, Regument capping all with a homer and making a total of six runs for the inning.

Oxford-Cambridge-Yale-Harvard Games.

The games will take place at Berkeley Oval, Morris Heights, on Wednesday, Sept. 25, at 3.15 P. M.
The English team, which has already

been selected, is at present training in Canada. Of course, it contains the cracks of the two famous English Institutions. Two members of the team, in addition to holding college records, ire national amateur champions of

chasset, Mass. The final selection of he combined teams will be determined bout a week before the meeting. The international contest ought to be ose and exciting, and the committee counting upon the interest of the New York sport-loving public, and esperially on the enthusiastic support of the Harvard and Yale men, to make the meet a success.

There are to be nine events on the programme as follows: 100-yard dash, run, two-mile run, 120-yard hurdle on cinders, running high jump, running broad jump and throwing the hammer. The precise order has not yet been arranged, but the programme will probably begin with the hundred-yard dash ence after the cup series, Thomas W and end with the two-mile run. In gen-eral, there will be but two entries from each side, but both of these may be from the same institution. Thus both the American entries for a particular event may be Yale men and for another event both may be Harvard men, An exception, however, may be made in the one and two mile runs, in which three entries may perhaps be allowed from each side.
